President's Report

I would like to acknowledge the work and contribution all members have made to the hobby over the past 12 months. The time and commitment to manage your birds and ensure the animal husbandry and welfare is a number one priority is substantial. Your commitment to ensure your birds are healthy and looked after is admirable.

Also thank you to all clubs for ensuring the show and auction calendar continues to provide members with opportunities to show case their birds, see what is on the bench and purchase a feature or two for their breeding team. Every club plays an important role in the sustainability of our hobby.

Next year we have an exciting opportunity to once again host the ANBC Championship show. By hosting the show in a regional centre like Bendigo, it provides access for clubs across the State to be a part of this wonderful event. We understand in a state the size of Victoria, with clubs spread near and far that access is important to venues especially our State and National events. We trust this location will provide not only a beautiful location at a great venue but being located in the centre of Victoria can encourage more BCV members to attend in 2020.

I hope you have had success in the breeding room this season and have some birds that may make the team next year.

The hobby can present as many if not more challenges as successes, as we strive to breed birds that reflect the standard. We all love seeing our bird place on the bench and feel justified in our investment of time and money when this happens but just as important are the friendships, the conversations and the lessons we learn from breeding season to breeding season.

I wish all members the very best during the remainder of the breeding season and hope you and your families have a prosperous New Year.

Secretary's Report

Hi Members!

With the Christmas and New Year Celebrations either on us for some or rapidly approaching for others I would like to take this opportunity to thank anyone who has given me assistance in my role as Secretary over the last 12 months.

The role is challenging, and I find it is often a case of "trying to create balance for all" rather than a clinical "yes / no" exercise for the majority of tasks. The topic or actions dictates to a large degree the approach. This may be obvious to some, but each individual only ever sees what's important to them and not the holistically bigger picture that exists.

All Councillors have worked hard during the year to ensure we are setting up the Hobby for the future and while I don't like to focus on any one individual, I feel that there is one of my colleagues on Council I would like to comment on who has had a significant contribution – David Charlton.

David has revamped the Points system that you see online that was managed so well for so long by Rod Skivington.

When something is working effectively many people don't stop to look at what could be better – simply continue on in the same way. To his credit David executed an update that has added some great features to the Points system that have been very favourably seen by all.

He also is fulfilling the Treasurers Role – again after taking on the role after Martin Paoli worked on a major improvement during his time on Council. David has worked on improvements and evolution and made a significant contribution to the tracking and management of the Hobbies funds and reporting. Without this type of work being done by people with vision, the growth and evolution of the Hobby would be much slower.

When you see David around the State shows or at meetings please make sure you thank him for his contributions

Council has two new members in Amanda Fonti and Alistair Bennalack. Amanda has jumped straight into being the new Member Co-Ordinator after Alan Baxter left Council after his lengthy time contributing to the Hobby. Amanda is passionate about new and beginner members and believes she can assist people coming into the hobby based on her understanding and her own personal experiences.

Alistair comes onboard with a wealth of marketing and promotional background knowledge and has taken on social media and will be sending an email to all members on our listing with a Survey Monkey questionnaire. If all members could respond that would be fantastic as it will create a baseline for our promotional work and ensure that we accurately target the correct segments of the "opportunity market" to grow our membership. While this may have been attempted in the past, I don't believe we have or will have the opportunity to execute as we will from this exercise.

All Councillors are there for you, the members and I encourage you to reach out and speak to anyone you feel comfortable with or to myself directly if you wish to discuss any aspect of the work that is being undertaken on a daily, weekly, monthly and yearly basis.

From all Councillors I would like to wish each and every member, their families and friends a Happy, Healthy and Safe Christmas and New Year and hope that the youngsters you have bred in 2019 help you to evolve to the next level of opportunity in this great Hobby that we all love!

Best regards to you all,

James

THE HEAT IS ON!

HEALTH AND WELFARE OF YOUR BIRDS

Extreme weather events like heat have the potential to increase the mortality rate of your birds. With temperatures predicted to rise this summer it is important you have your birds' health and wellbeing as a number one priority.

Heat stress in your birds can be fatal in the extremes of summer.

Budgerigars do not have sweat glands and cool themselves by rapid breathing and holding their wings our to expose an area under the wing not covered in feathers. If your budgies are displaying the above behaviour they should be cooled down.

Some breeders have placed their aviaries and breeding rooms in the proximity of established trees or have planted trees to future proof their birds during the summer months. The temperature can decrease significantly in shaded areas during the blaze of summer heat. Other breeder have opted for shade cloth, misting fans, coolers or regularly spraying the sides and roof of the aviary with a hose or spray their birds with a spray bottle to drop the temperature during the hottest periods in the day. Other breeders freeze one or two litre plastic bottles of water and place them on the floor of the aviary to provide a much needed oasis.

Jeffrey Leong during the 2019 BCV Young Bird Championship show panel stated he purchased a misting fan hooked up to a hose and believes it drops the temperature by 15 degrees and effectively cools down the bird room. Allan Rowe shared a story of Erwin Baker spraying water on the floor of the aviary to keep the temperature down.

Finding a system that works for you and your birds is important. Setting up a thermometer to measure the increase in temperature can be a useful addition to any bird room. Ventilation is another factor to assess when planning for the summer months. Talk to club members or experienced breeders about the systems they put in place to look after the health and welfare of their birds during the extreme heat of summer.

"Heat stress in your birds can be fatal in the extremes of summer."

UBC State Championship Show Results

Dear Members,

Unfortunately due to a last minute situation for Rod Turnbull who was unable to attend due to family circumstances we have no photos of the Winning Birds from the UBC State Championship Show nor a Show Report. Going forward we will have a contingency plan to cover this aspect and ensure the images and a report are available.

Our sincere apologies,

Budgerigar Council of Victoria

Class 1 – Normal Green	Judge – Glenn Mannix	Steward – Bob Carter
	32 Birds Entered	31 Birds Benched
1st – Light Green Hen. This baby carried great condition and showed well all day. A big, beautiful, strong hen.		
2nd – Light Green Cock. Showed well with a strong top end. A Strong budgie.		
3rd – Light Green Hen. A solid bird with a lovely wide mask but not the feather of the tw birds above.		
4th – Light Green Cock. Unfortunately, this bird didn't show well however he wasn't as strong in feature as the birds placed above.		
5th – Light Green Hen. Lovely big spots and top end unfortunately the wings were loose and too large which let it down.		
General Comments: Overall some strong birds down to 8th but the quality dropped off after that. Thank you to Bob my steward for his very valued assistance.		

Class 2 – Normal Grey Green	Judge – Phil Hoadley	Steward – Les Davies
	41 Birds Entered	41 Birds Benched
1st – A strong bird that showed well all day. Good back line, has directional feather and lovely tucked in beak		
2nd – A smaller bird that was very steady on the perch but lacked the directional feather of the first bird.		
3rd – a long bird that had a nice deep mask. Very steady on the perch but lacked the top end of the birds in front of it.		
4th – A solid bird with good shoulder – not a good shower on the day.		
5th – Another bird that would not stay on the perch. Deep mask and nice feather.		
General Comments: 6th bird was a strong but kept looking at the sky. A nice class of bird Thanks to Les for your help – very appreciated. A couple of cages had the incorrect seed mix on the floor and the drinker on the wrong side and 1 had no drinker. Thanks to the BCV for another good show!		

Class 3 – Normal Blue	Judge – Alan Ryder / Martin Paoli	Steward – Les Rayner
	43 Birds Entered	36 Birds Benched
1st – An excellent example of Blue Normal UBC! This bird exhibits excellent frontal and mask combined with good transition from crown to shoulder and excellent length of frame. A credit to the Breeder!		
2nd – Another cracking example of blue normal UBC – This bird has a lovely face combined with shoulder and length. Outstanding Spots!		
3rd – Good shouldered bird with excellent depth of mask. Not quite the head width of the 2 placed above. Did not show to its advantage.		
4th – This bird has great overall features and is very relaxed. Lovely feather all over. In another couple of weeks it would have pushed the top 3 even more than it has here.		
5th – Great length of frame combined with a deep mask and modern lateral over the eyes. A first class hen.		
General Comments: Overall a very enjoyable class to judge. All 36 birds were presented in good order and condition.		

Class 4 – Normal Violet	Judge – Peter Smith	Steward – Cam Cabel
	20 Birds Entered	19 Birds Benched
1st – A worth winner – the bird showed well all day very consistently. Lovely shape on the perch and colour. The wing carriage was outstanding.		
2nd – Very nice shape on the perch but didn't show as consistently as the winner. This UBC also not quite as large as the winner.		
3rd – Lovely face and the bird showed well. Lovely back line but not the size of the winner or 2nd placed bird.		
4th – Showed well but just doesn't have the quality of feather of the 3rd placed bird – lovely colour though.		
5th – Big hen – not the head size of the 4th bird but did show well and justified its position in the final line up.		
General Comments: The first three birds are very classy. From 4th to 8th the birds carried some good feature and after the 8th bird the size and feather required to challenge at top level was not evident. Thank you, Cam for stewarding for me – great job!		

Class 5 – Normal Grey	Judge – Julie Kruisselbrink	Steward – Liam George
	34 Birds Entered	33 Birds Benched
1st – A lovely big bird that carried a lovely face and showed well. A worthy winner!		
2nd – This was another quality bird but lacked the showmanship of the winner. Had to work the bird hard to get it on the perch.		
3rd – Lovely UBC and showed well but lacked the substance of the first two birds.		
4th – A nice shaped UBC that could have gone much higher if it had performed on the day.		
5th – This was a very nice UBC but a very, very young UBC that would benefit from another few weeks of growth!		
General Comments: This was an excellent group of birds. There were a few that had eye problems and a few that showed poorly. Thanks to my steward Liam for a job well done!		

Class 6 – English Yellow Face	Judge – Malcolm Randall	Steward – Lennie Mifsud
	26 Birds Entered	26 Birds Benched
1st – Nice bird and didn't move all day. A worthy winner carrying great feature!		
2nd – Best faced bird in the section but very poor shower and doesn't have the deportment or wing carriage of the bird in first place.		
3rd – Nice but not as big as the two in front.		
4th – Very nice young hen with very good wing deportment just not the face of the birds above it.		
5th – Nice young grey unlucky on the day as the birds in front were all a little bit older and bigger – nice bird.		
General Comments: Good section of yellow face babies. Many thanks to Lennie for a job well done and thank you to the BCV for the opportunity to Judge.		

Class 7 – Australian Golden Face	Judge – Bruce Sheppard	Steward – Ken Brown
	21 Birds Entered	16 Birds Benched
1st – Strong bird and a clear winner, good variety and showed consistently. Excellent feather direction on this UBC.		
2nd not quite as strong as the winner but again excellent cap width and directional feather.		
3rd – Fair way behind the first two but a good variety bird and showed well.		
4th – Another good variety bird but lacked the body strength of the three birds placed above.		
5th – Down a bit on variety and a lesser bird size and feature wise.		
General Comments: The best bird in the class had unfortunately dropped both its tail feathers. Thanks to Ken for stewarding with me.		

Class 8 – Black Eyed	Judge – John Rowe	Steward – Sean Zunneberg
	22 Birds Entered	21 Birds Benched
1st – Very nice bird with lovely feather and a good size. Lacked a little in variety but was a stand out		
2nd – Good sized bird and of a better variety than the winner just a bit young on the day and should develop into a very good young bird.		
3rd – Another nice bird with good width of face for a black eye but not quite the size of the first two.		
4th – Very good variety black eye, long bird but lacked the strength of the birds above.		
5th – Nice featured but and can be a little loose in the wing at times. Should tighten up as a young bird.		
General Comments: Black eyes were a good class to judge with only one bird wrong classed. They were reasonable birds town to position 7 and then they dropped away. It was good to see 2 black eye whites in the class as well. Thank you to Sean who did a great job stewarding.		

Class 9 – Dilute	Judge – Greg Rowe	Steward – Tim Doughty
	18 Birds Entered	18 Birds Benched
1st – A big bird – a sky with nice feather and good variety. Showed and performed well at all stages of judging.		
2nd – Nice style and carried nice width of feather with nice feather.		
3rd – A grey – good variety with nice feather – should develop into a good young bird but a little young to challenge on the day		
4th – Yellow Face sky – nice big bird but not quite the feather of the birds placed above		
5th – Another Yellow Face but not with the same width and length of mask as the birds placed above.		
General Comments: 1st and 2nd birds were outstanding. All bird in the top 10 were of a nice type and overall this was a nice class to judge. Thanks to Tim my steward for a job well done!		

Class 10 – Lutino	Judge – Peter Thurn	Steward – Rob Dagg
	22 Birds Entered	19 Birds Benched
1st – A power budgie with lovely shoulder and substance. Looked fantastic when it showed.		
2nd – Nice youngster in its prime. Showed all day. Lovely backskull and height above the eye. Not the strength of the winner		
3rd – Vibrant colour and consistent shower. Good frame but not the head qualities of the birds above		
4th – Another strong shouldered bird. Inconsistent shower and not carrying the colour of the birds above.		
5th – A smaller bird with nice backskull. Looked good when it showed.		
General Comments: The first 4 birds are of top quality – after this the quality was mixed. Thanks to Rob my steward and congratulations to the winners!		

Class 11 – Albino	Judge – Steve Grech	Steward – Steven Quinn
	25 Birds Entered	25 Birds Benched
1st – Very nice bird with good feather and lovely powder white colour. Showed well and is a very good bird for a Hen.		
2nd – Good bird with good colour and showed well but not the power of the hen above it.		
3rd – Large bird with good colour but the flights were heavy. Very strong hen.		
4th – Nice bird but not in the class of the first three place getters.		
5th – Again – nice bird but lacked the strength of the birds above it.		
General Comments: First 7 birds were good with the first three being very strong. There was a cock bird not judged due to missing tail feathers which would have been in the mix if complete. Thanks to my steward Steven for doing a great job!		

Class 12 – Dark Eyed Clear	Judge – Ken Pullen	Steward – Richard Hiscock (Absent)
	11 Birds Entered	11 Birds Benched
1st – DEC White. This is a large bird and stood out in the class. Showed well with good feather and cap		
2nd – DEC Yellow. This is a smaller bird but showed well at all times of judging		
3rd – DEC Yellow. Similar to the bird in 2nd but didn't show at all during judging and only perched briefly to enable judging.		
4th – DEC White. Similar to the 3rd and 2nd placed birds but didn't show though it does carry a little more feather.		
5th – DEC White. Another small bird but lacked in cap feather and was unable to compete with those above.		
General Comment: Very small class with the first bird a stand out. After the first place the quality level tapered quickly away.		

Class 13 – Clear Wing	Judge – Ray Slade	Steward – Mitch Parr
	26 Birds Entered	25 Birds Benched
1st – Nice bird when he relaxes. Good Length		
2nd – Good variety but a bit smaller than the winner		
3rd – Modern bird let down by variety		
4th – Good sized bird but just lacks the strength of the bird above it.		
5th – Another nice bird but smaller than those above.		
General Comment: Some quality birds but variety is a bit of a problem		

Class 14 – Grey Wing	Judge – Greg Rowe	Steward – Tim Doughty
	22 Birds Entered	18 Birds Benched
1st – A grey Green with lovely feather. A large bird which releases his cap feather beautifully. Excellent variety!		
2nd – A Grey – lovely top end with a wide face – again lovely feather with nice variety.		
3rd – Another Grey – big bird but very young. Showed well considering – again with good feather.		
4th – Another Grey – very large bird, plenty of feather but not the top end of the birds placed above.		
5th – Blue – nice variety but not quite the impact and feather of the birds above.		
General Comment: Some lovely birds in the class showed modern feather and feature. Thanks to Tim my Steward for his help.		

Class 15 – Cinnamon	Judge – Charles Mifsud	Steward – David Taylor
	43 Birds Entered	43 Birds Benched
1st – A Cinnamon Grey with style and a blowy cap. Good backskull and shows very well.		
2nd – A Cinnamon Green – lovely depth of mask but lacking a bit of backskull compared to the winner. Not the blow of the first bird either.		
3rd – A cinnamon Cobalt with a lovely face. Will improve with age but not quite the body length of the two birds above it.		
4th – A Cinnamon Cobalt – Very similar in feature ot the 3rd placed bird but not a showman.		
5th – A cinnamon Grey Green – Lovely bird with beautiful cap blow and deportment but just a bit young on the day against the birds in front of it.		
General Comment: The Cinnamon class was a pleasure to judge with some birds placed lower due to the lack of showmanship. These birds will moult out into good young birds. Thanks to the exhibitors and to the BCV. Many Thanks to David Taylor my Steward who was very helpful.		

Class 16 – Double Factor Spangle	Judge – Robert Randall	Steward – Mike Huth
	32 Birds Entered	30 Birds Benched
1st – A DF Spangle White. A lovely UBC youngster carrying nice length and felease of cap feather with super depth of mask. Excellent length of body and a lovely outline. Very steady on the perch and showed wlll during judging. Congratulations to the exhibitor - a worthy winner!		
2nd – A DF Spangle Yellow – Strong shouldered baby with a lovely neat wing and great thickness throughout. Nice variety bird and in excellent condition. Just not quite as long or as much active feather as the winner.		
3rd – A DF Spangle Yellow – Super buff feathered youngster with good size and great strength of shoulder and thickness through the body. Didn't show as well as the top 2 birds and down a little in variety which impacted its placement.		
4th – A DF Spangle Yellow – Lovely exhibition bird with terrific style, outline and a very steady shower. Lovely facial features and good depth of mask. Just not as big as the top 3 birds placed above it on the day.		
5th – A DF Spangle Yellow – very similar type of budgie to the 4th placed bird but not quite as much directional feather or cap as the birds above.		
General Comment: Nice class of UBC Spangle DF's. Strength of birds particularly good throughout the top 10. Should be some lovely young birds develop when they come through their first moult. Congratulations to the exhibitors and thanks to Mike for doing a great job Stewarding.		

Class 17 – Opaline Normal Wing	Judge – Derrin Ray	Steward – Adam May
	47 Birds Entered	39 Birds Benched
1st – The winner is a Light Green in perfect condition with great width of face and very good backskull. Very nice feather and a worthy winner.		
2nd – Another Light Green – a terrific bird unlucky to come up against the winner on the day. Just not the impacting features as in the first bird.		
3rd – Another lovely light green with a lot to like about him. Very steady on the perch all day.		
4th – Another Light Green with a lovely face and feather. It would not show to its full potential and could not be placed any higher.		
5th – A Grey Green cock bird with very sold body and very nice on the perch. Unfortunately better birds above him on the day.		
General Comment: A fantastic class with depth to about 15 / 16th place. The first three carry outstanding quality. Well done to the breeders who got birds into the top 10 places. A big thank you to Adam for his help on the day.		

Class 18 – Opaline AOSV	Judge – James Smith	Steward – David Rowe
	22 Birds Entered	21 Birds Benched
1st – A super Opaline Cinnamon Light Green – this bird has great shoulder, size and feather and is compliments with a great mask and spots. Truly a credit to the Breeder – oozes quality.		
2nd – An Opaline Cinnamon Olive hen – unlucky to come up against the winner. Good feather, mask and spots but not he size or impact of the 1st bird. Very strong for a dark factor hen!		
3rd – A nice strong Opaline Cinnamon Grey with excellent shoulder but lacking the head qualities of the first two place getters.		
4th – A very stylish Opaline Cinnamon Sky Hen – She showed well but simply doesn't have the impact of the birds placed above her.		
5th – An Opaline Cinnamon Light green with very good shoulder that lacked the feather and face of those placed above.		
General Comment: A strong class with birds very even down to 7th place. Not a single bird missing a tail in the class which was great. Many Thanks to David for doing a great job with his Stewarding assistance and thanks to the Exhibitors and Clubs who enter birds.		

Class 19 – Clearbody	Judge – Rex Stephens	Steward – Ken Lawrence
	23 Birds Entered	21 Birds Benched
1st – Very strong bird that shows perfectly. It has very good directional feather and great back skull. Really nice UBC		
2nd – This bird was a bit hot and cold when it came to showing. One minute it would look great and the next minute it would let itself down. When it shows well a very nice bird.		
3rd – A lot smaller than the first two birds but still a nice bird. It showed well and has a nice mask and good variety.		
4th – A lovely looking hen with nice directional feather and good variety.		
5th – This bird is very good looking when on the floor but would not show that well on the perch.		
General Comment: Some very nice variety birds that should moult out into good show birds. The first 5 birds are going to be really good variety birds.		

Class 20 – Lacewing	Judge – Hedra Kamel	Steward – David Spink
	22 Birds Entered	20 Birds Benched
1st – Big bird, shows very well. Presented well and a worthy winner		
2nd – Big power bird with lovely feather. Tail is a bit short otherwise a very nice UBC		
3rd – Good size and type. Showed well but a bit unlucky to come up against the first two birds.		
4th – A big and stylish bird but not the same quality as the first 3 placed birds.		
5th – Very nice feathered UBC but lacked the size of those above.		
General Comment: Very strong class of Lacewings. First 5 placings are of very good quality. Thanks to David Spink for a great job with Stewarding for me!		

Class 21 – Fallow	Judge – Alan Baxter	Steward – Bruce Peters
	21 Birds Entered	21 Birds Benched
1st – A nice cock with a very nice outline. Nice directional feather and steady on perch. Should develop into a very nice fallow.		
2nd – A hen – a little bigger than the winning bird supporting nice head feathers but didn't show well.		
3rd – Hen similar bird to second placed with nice outline when she showed. Should develop into a nice bird.		
4th – Hen – generally a nice bird with a very good outline when she showed.		
5th – Cock with good variety. A bird with nice outline.		
General Comment: Found this class to be fairly even down to around 10th placing All of those I felt had some good features. Thanks to my Steward Bruce Peters for a job very well done.		

Class 22 – Spangle Normal Wing	Judge – John Skoric	Steward – Don Headspeath
	41 Birds Entered	41 Birds Benched
1st – A dark green that is a very complete bird. Good head quality and showed well all day.		
2nd – A grey Green and a lvely example of the definition of markings required. Perfect fine flights with strong shoulder and good shape.		
3rd – A Light Green – very nice long bird with great feather and head quality when it relaxed.		
4th – A sky blue - this is a nice bird but it played up a lot which hurt its chances of moving higher.		
5th – A grey green – excellent showbird with all the right features and great variety.		
General Comment: The 6th place bird is a sky blue with a large frame with plenty of strength but very heavy in the wings. Very good class of spangles throughout.		

Class 23 – Spangle AOSV	Judge – James Bader	Steward – Brad Stray
	29 Birds Entered	29 Birds Benched
1st – Strong Cinnamon Light Green. Good shoulder and a nice long body that carries good deportment. The bird has a nice deep mask and good width across the face.		
2nd – Solid Opaline Grey Green. Really good deportment and mask with good spots. Lovely feather texture and good directional feather with back skull.		
3rd – Really nice Cinnamon grey green that showed quite well. A little over the top for a UBC but will be a nice young bird.		
4th – Big strong Opaline Light Green – loose in feather on the belly but strong top end. Width of face and back skull was very good. This bird would have gone further if it had showed better.		
5th – A really smart Opaline Dark Green with a lovely face, good width of cap and back skull.		
General Comment: A solid class of Spangle AOSV's and a pleasure to judge. Thanks to the BCV for putting on a great show and also to Brad my Steward for all his help.		

Class 24 – Dominant Pied	Judge – Jeff Orlandi	Steward – Garry Stagg
	36 Birds Entered	35 Birds Benched
1st – A Dom Pied Grey Green. Lovely feathered bird that did play up but settled and was superior to the others in the class		
2nd – A nice shouldered bird that stood well all day but beaten at the end by slightly better bird.		
3rd – A nice showy sky blue. Not as big in body as the first two birds but has good release and feather.		
4th – Opaline Grey Green. Not as big in body but has good cap release and feather.		
5th – Dark Green – a nice long bird however his tail was a little short but still a long bodied bird. Based on the tail very young.		
General Comment: A good class of Dominant Pieds. The first and second birds were very, very close. Thanks to Garry for doing a great job stewarding!		

Class 25 – Recessive Pied	Judge – Col Flanagan	Steward – "Shak" Brown
	28 Birds Entered	29 Birds Benched
1st – This bird is a strong body and up off the perch show bird. Good shoulder – could have had a bit more pied marking in the wings.		
2nd – The second bird is another strong bird, well marked and at times a good show bird.		
3rd – Another strong body bird with a good balance of pied markings and a good prospect for the future.		
4th – The skyblue was a strong show bird all the time. A natural shower it carries good balance of pied markings and does have strong shoulder.		
5th – This bird is a type but smaller bird. It showed well and should develop.		
General Comment: Overall the first ten birds are very good and the class is definitely on the improve. Congratulations to the breeders and thanks to Shak for his help.		

Class 26 – Whitecap	Judge – Bruce Wilson	Steward – Michael McMahon
	32 Birds Entered	31 Birds Benched
1st – A Sky Blue Normal White Cap. The bird has a good calm disposition for a baby and will grow into a top budgie.		
2nd – A Cobalt Normal White Cap – Good shape and stance with a good backline. Has good active feather.		
3rd – A Cinnamon White Cap Hen – Stance and brow are outstanding. She held her own with the two cocks in front of her.		
4th – A Sky Blue Normal White Cap. Desired feathers, mask width and depth complimented by active feather.		
5th – A Cobalt Normal White Cap. Massive size and top end with directional feather. Wings are too big and unfortunately spoil the bird.		
General Comment: Generally, a good class for a new variety. It has improved quickly as obviously some good breeders are working with the variety. Thanks to my Steward Michael – a new Clyde Member and his first time Stewarding – well done!		

Class 27 – Crest	Judge – Greg Jones	Steward – Steve Bradley
	17 Birds Entered	16 Birds Benched
1st – A cinnamon Mauve Cock – a strong shouldered bird with good overall feather structure. Small, full crest to side.		
2nd – Opaline Mauve Cock – Nice opaline with some power for a crest – not quite the outline of the fist bird.		
3rd – A Violet Cock – a good create and overall outline on the perch.		
4th – Opaline Mauve Cock – not quite as much cap width as the birds above.		
5th – A Sky Blue Dominant Pied Spangle Cock – A poor shower but long strong frame that will give the breeder something to work with.		
General Comment: Challenging if small class. Different crest varieties in show but also different standard of budgies in terms of feather feature, deportment and significantly size!
